

Partnership Project delivered by **UK Youth** and **Youth League UK**

Paid summer work placement for young people aged 16-25 in the London Borough of Barking & Dagenham

The programme is open to young people who are at risk of violence- the programme is available from **July 2024** and will provide young people with the key **skills needed to support future employment opportunities while still earning .** **The six-week programme** includes a preparation week and **five weeks of work experience,** all with the dedicated support of a youth worker.

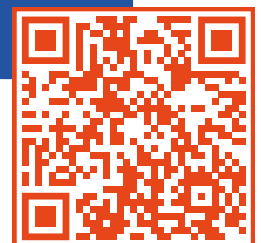

The Summer Jobs programme is based on successful versions for USA.

Opportunities will be available with various employers and young people are carefully matched to a suitable placement. However, placements will be subject to work placement availability.
